ACTION REQUIRED: As Indicated

1. Please advise Harold R. KOPFAR that the hospitalization application forwarded via reference (A) is being processed, and the effective date of coverage is 27 November 1960.

2. Please advise Charles E. PARZON that his U. S. Savings Bonds will be retained in Headquarters pending his return. The Payroll Office handling PARZON's accounts has determined that this is a more secure method of making sure he receives them in person, rather than sending the bonds in care of the party indicated in reference (B).

3. Please advise IDEN A that as a result of the Proficiency Test he took while assigned locally, he obtained a Proficiency Score of 87. As the Minimum Proficiency Score for award of Proficiency Pay is 94, he is not eligible for the award of Proficiency Pay.

4. Forwarded under separate cover is another envelope containing copies of Travel Orders for personnel currently assigned JPASH and JBRIM.

5. Please advise Oliver H. CORBUSTON that the annual premium on his Specified Diseases policy is due 30 November 1960. The Family Plan for this policy is \$10.00. Inasmuch as a grace period of one (1) month is granted, you may advise CORBUSTON to submit a check for the premium amount to Headquarters as soon as possible.

ACTION REQUIRED - REFERENCES

1. It is requested that the attached application for Health Insurance be given to Harold R. NOEMAYR for completion. NOEMAYR may retain the covering memorandum which outlines his coverage. The completed forms should be returned to Headquarters for processing. The premiums will be deducted from NOEMAYR's salary. Headquarters will notify NOEMAYR when his policy is in effect.

2. Please explain to NOEMAYR that this plan covers basically two types of health insurance. 1: the normal hospitalization explained in paragraph 3 of the attachment which includes in- and out-patient care, surgery and maternity. The allowable expenses covered under this section are immediately reimbursable within the limits of the plan. 2: the major medical benefit plan described in paragraph 4 covers miscellaneous medical expenses not normally connected with hospitalization such as doctors' office visits, doctors' home visits, prescriptions, injections and medications given by doctors, X-rays and other laboratory work done in connection with diagnosis or treatment, etc. The insured pays up to \$100 of such allowable expenses under this category for each member of his family. If expenses exceed this \$100 for any person during the calendar year, then the policy will pay for 80% of their additional expenses. In connection with this phase of the plan, it is suggested that NOEMAYR be advised to have his family keep a detailed record of all medical expenses incurred by each member of the family.

3. NOEMAYR should be advised that under the hospitalization section of the plan, up to \$75.00 can be reimbursed for surgical fees in connection with a tonsilectomy, whether the tonsilectomy is performed in a hospital or in the surgeon's offices.

HEGARTY is scheduled for a medical release about 27 Feb 60 and should arrive in Mexico about 20 March. After a few weeks overlap, NOEMAYR should depart for Hqs about 1 April 60, ready to go to work. According to Charlotte he prefers to take no home leave.

Apparently [ ] has been working with the Covert Training people in an attempt to place him in that type of activity [ ] Per Col. King on 10 Feb Covert Training indicated that they had no interest in subject and Col. King requested the above information for use in his contact with Col. SUBJECT : Harold R. NOEMAYR (ps)

*Feb 1960*

1. Reference is made to our telephone conversation on 10 February 1960 regarding the possible use by your office of Subject. Attached for your information are some facts concerning his personal and operational background.

2. NOEMAYR has successfully worked for KUBARK [ ] for eleven consecutive years. All operations officers handling subject and his training officers at Headquarters have commended his operational capability and achievements. He received an official commendation from the agency for his work in Cuba.

3. WH Division has several motives for wishing to bring NOEMAYR to Headquarters for a tour of duty.

a) After having lived and worked for so long [ ] without being able to mingle freely with Americans he needs to return to the United States for mental and physical readjustments for himself and his family. The fact that his wife has not been able to become an American citizen and that his children have not had an opportunity to live in the States has been of understandable increasing concern to NOEMAYR. This, combined with the stress [ ] required by [ ] his non-association with anyone except his Case Officer with whom he can discuss his work and problems has been making him increasingly more tense during the last year or two. NOEMAYR is an extremely capable Operations Officer and WH Division earnestly believes that it is KUBARK's responsibility to bring this man and his family to the United States for two years. Your cooperation in this effort is being sought.

b) NOEMAYR, even though he has received Headquarters covert training, still needs to be closely associated with Headquarters for a tour to acquire additional background on operational techniques and approaches and to be exposed to Headquarters' activity and thinking. This experience is requisite to making a well-rounded intelligence operator out of NOEMAYR and will certainly affect his future usefulness to KUBARK.

c) A Headquarters tour will enable NOEMAYR's wife to become a United States citizen and permit his children to receive, at least, a part of their education in the States.

5. As a Career Agent, NOEMAYR will continue to be funded under LIENGE, his present project. All funds required to support NOEMAYR and his activity will be charged to this project against the WH Division allotment. In addition, WH Division will handle all administrative problems connected with NOEMAYR, such as renewal of the project, [REDACTED] after coordinating such action with your office.

6. WH Division has confidence in NOEMAYR and believes he can be of value to OPR in its training program. The Mexican desk will be glad to work closely with you in the handling of NOEMAYR if you so desire. NOEMAYR is enthusiastic about his impending Headquarters assignment and is anxious to start work immediately upon return to the United States.

- b) Antonio had been living for several years in the Pacific Banana Zone city of Quepos, Costa Rica. Recently, he was placed in jail in San Juan de Tibas (a suburb of San Jose) on a charge of robbery;
- c) Marie was born in San Jose on 7 February 1920 and was a militant communist prior to and during the 1948 Costa Rican Revolution. After the revolution, he left the Party voluntarily, but was reported to have been actively sympathetic towards communism for the past ten years. Another source reported this month that Marie is visited regularly by communists, who leave printed propaganda with him;

REFERENCE(S)

- At an operational meeting on 8 July 1959, HERNANDEZ/3 told HUSKAW that he was aware of the efforts of Mario COARDO Calderon to re-enter the FVP, presumably on GDTORRE's behalf. Without waiting for a reply, HERNANDEZ/3 then pleaded with HUSKAW to stop these efforts for the following reasons:
  - while handled by HERNANDEZ several years ago, HERNANDEZ/3 often had operational meetings in HERNANDEZ's house. On occasion, HERNANDEZ/3 would be entertained by HERNANDEZ's wife and mother-in-law until HERNANDEZ's arrival for the meeting. HERNANDEZ/3 has harbored a deep fear for years that Subject (HERNANDEZ's brother-in-law) might have seen HERNANDEZ/3 enter or leave the meeting site, or that HERNANDEZ's wife, a Costa Rican national, might have (wittingly or otherwise) exposed HERNANDEZ/3 to her brother.
  - HERNANDEZ/3 who knows COARDO personally, claims that COARDO was probably a poor choice for a party penetration, since he was known to be actively sympathetic to the FVP for the past ten years. In addition, HERNANDEZ/3 doubted that COARDO had the necessary qualifications of intelligence and discretion to perform in the capacity of a penetration agent.
- HERNANDEZ denied any knowledge of a penetration attempt, and assured HERNANDEZ/3 that no action would ever be taken to change HERNANDEZ/3's position. At an operational meeting with the project case officer later the same evening, HUSKAW expressed deep concern over HERNANDEZ/3's state of mind concerning COARDO, and tactfully advised against HERNANDEZ's entry, if it were within the Station's ability.
- Regardless of the validity of HERNANDEZ/3's allegations, it is quite apparent to the extent and the Station that HERNANDEZ/3 is upset and worried about the possibility of COARDO entering the FVP and discussing with other party members, details of HERNANDEZ/3's past activities and contacts. As a supplementary factor, it was also felt that COARDO's extremely limited ability, potential, and access would not be worth the security risks involved. In the interest of security and agent morale, the Station decided to stop COARDO's penetration attempt, diverting him temporarily, to provide a fuller coverage on communist labor (COTC) activities, and to perform spotting tasks for the Station.
- At a contact on 13 July 1959, HERNANDEZ set up a contact plan, and instructed COARDO in the Station's wishes. COARDO assented without question, and a meeting with the Station has been scheduled for 3 August 1959.
- An investigation of the COARDO family is being conducted by the Station.

REFERENCE(S)

1. As recorded in Headquarters files, [REDACTED] Mario CORDEIRO Calderon, Costa Rican, residing in San Juan Tibas, San Jose, Costa Rica, was once a member of the Costa Rican CP. Mario's first loyalty had been to the CALISTO GUERRA party, but since the latter was allied with the CP, a great deal of recruitment had taken place within the allegiance. Mario drifted from CP militancy shortly after the 1948 revolution.

2. If the organization so desires, all the factors are present for the recruitment of Mario and return to CP militancy with a low to medium level penetration as the objective. These factors are as follows:

a. Mario CORDEIRO has been carvemaker and therefore living in [REDACTED] house in Costa Rica for the past two years. On two occasions during visits in 1956 and 1957, [REDACTED] conversed at some length with Mario concerning the Costa Rican CP. Mario indicated very emphatically that he was disgusted with them (party leaders) because of the corruption.

b. Letters received from Mario during the past year have indicated no change in this attitude. Mario is extremely grateful to [REDACTED] for this period of residence without paying rent. (Mario is a shoemaker of humble means).

3. [REDACTED] is reasonably certain that Mario CORDEIRO would accept such an offer and could return to CP militancy without security problems. It is believed that with a little guidance and manipulation, Mario could become a medium level penetration with a relatively short time. While not having more than an elementary school education, Mario is a stolid type, sincere and determined in his own way. Once satisfied that he could improve his lot by this service, he would lend a steady and reliable service.

1. Attached, per Headquarters instructions in reference B., are the required documents from Harold R. NORMAN applying for reimbursement for medical treatment required by his dependent daughter. These include Form 1126, receipts for payments made and a statement from the attending physician as to the treatment given. The physician's statement merely indicates that he provided medical care and a biopsy, without delving into the nature of the illness, his diagnosis or specific treatment. Mrs. NORMAN was unable to obtain any further declaration from the physician and security considerations prevented her from becoming more demanding on this point.

2. If Headquarters requires a more elaborate statement, would it be permissible for NORMAN to certify as to the missing aspects from the physician's statement? Otherwise, no other document of this nature is available.

1. In answer to your queries of reference, we wish to direct your attention to FHB 20-620-1, dated 28 November 1958, which provides information on overseas medical benefits available from KUBARK. This new handbook should be of great help in the future on questions of this nature as it sets forth in one place KUBARK provisions for employee and dependent medical benefits, together with the procedures required.

2. Section 2a of the handbook specifically states that Career Agents, if they are full-time employees and citizens of PRPRIME, may receive all medical benefits available to Staff Employees. Section 3a also specifically states that Career Agents, if they are full-time employees and citizens of PRPRIME, are eligible to receive the benefits of the KUBARK dependent medical program.

3. We suggest that Subject forward to Headquarters receipts for his dependent medical expenses, together with a statement from his physician attesting to the nature of the illness, his diagnosis and treatment. Subject should also execute Form No. 1126 as requested in Section 5a of the handbook. We will submit the claim to the Office of Personnel for their review and determination of any allowable reimbursement.

1. Harold R. NOEMAYR, a Career Agent, is incurring medical expenses from the required hospitalization and medical/surgical treatment of one of his minor dependents. He wishes to know if he is covered by insurance that includes the above type of expenses for his dependents.

2. It is noted that reference regulation mentions in general terms that Career Agents are usually entitled to the same benefits as Staff Employees. However, since the Station does not have a copy of NOEMAYR's contract, it is requested that Headquarters check his personnel file to determine if he and his dependents are all covered by some manner of hospitalization plan and, if so, what the exact terms are that this plan covers.

# Cuban Asks to Be Shot For Plot to Kill Castro

HAVANA (AP) — A former Cuban army major has asked a revolutionary tribunal to sentence him to death because he agreed to shoot Prime Minister Fidel Castro.

"To the wall. To be executed, that is what I want," Rolando Cubelas told the tribunal yesterday.

He and six other Cubans are on trial, accused of plotting to assassinate Castro with the U.S. Central Intelligence Agency and Cuban exile leader Manuel Artime.

"I was the victim of my weaknesses and contradictions,"

Cubelas said. "I simply fell into the hands of the enemy."

"If I have to die, I will do it yelling, 'Viva la revolucion, fatherland or death, we will win.'"

## Death Asked for Three

At the opening of the trial in La Cabana prison fortress, prosecutor Jorge Segura asked the death penalty for Cubelas, former Maj. Ramon Guin, Jose Gonzalez Gallareta and Alberto Blanco Romariz.

He asked 30-year prison terms for Juan Alsina Navarro, Guillermo Cunil Alvarez and Angel Herrero Veliz.

Guin is charged with knowing about the plot, concealing it and spying for the CIA.

Cubelas testified that Artime persuaded him to join the plot during a meeting in Madrid on Christmas Day, 1964. He said that in February, 1965, Artime gave him a high-powered telescope and a silencer for his rifle, and he agreed to shoot Castro from a distance of about 800 yards.

## 'In Hands of Enemy'

"This was a cowardly act," he said. "I fell in the hands of the enemy."

Cubelas said the meeting was arranged by a Cuban resident of Madrid and by Odon Alvarez de la Campa, a former counselor to the Cuban embassy in the Spanish capital who defected in March, 1965.

About 500 persons, including Cuban and foreign newsmen, attended the session of the trial.

# Schirra Ponders Settling in Perth

PERTH, Australia (AP)—American astronaut Walter M. Schirra Jr. says he is seriously considering settling in Perth when he is through with outer space.

Navy Capt. Schirra and Air Force Col. Frank Borman orbited around the capital of western Australia today, meeting political and civic leaders and other residents of the "City of Lights."

Perth is the site of a tracking station for U.S. space flights and puts on its lights when American astronauts fly over the area at night. Schirra during his six-orbit flight Oct. 3, 1962, radioed the station that he had spotted the lights during his second orbit.

## Two Ex-Majors Arrested in Cuba As CIA Agents

HAVANA (AP)—Two former Cuban Army men, one of whom played a key role in Fidel Castro's rise to power, have been arrested on charges of counter-revolutionary activities for the U.S. Central Intelligence Agency.

The Interior Ministry announced last night that Dr. Rolando Cubela and Ramon Guin, both former majors, had been arrested for "actions which seriously involve them in counter-revolutionary activities" with the CIA.

Cubela, a physician, has been director of Havana's Fajardo Hospital. Before the overthrow of Fulgencio Batista's regime, he was a commander of Castro's guerrilla forces in the Escambray Mountains.

After Castro took over, he became first president of the Federation of University Students at Havana University.

No information was given on Guin.

MEMORANDUM FOR : Chief, CI/OA

SUBJECT : AMIASH-1 C-101080

1. Reference is made to your "Request for Information" dated 31 July 1964 concerning Subject.

2. The PRQ Part II on AMTHUNK-10 (201-142291) contains certain errors which are being struck: AMIASH-1 is not a Headquarters internal asset, nor is he running any internal group. The relationship between AMTHUNK-10 and AMIASH-1 is a personal one - they have been friends for many years. AMIASH-1 is not doing anything whatsoever at the present time inside Cuba which has anything to do with any KUBARK operation, plan, activity; in addition, he is not furnishing any Political or Foreign Intelligence. A FOA was requested on him in June of 1962 for recruitment as a possible defector. He returned to Cuba and has resumed his career as a surgeon. He is working with the cardiology department of the Manuel Fajardo Hospital.

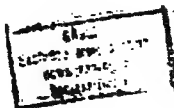

3. Station JMWAVE is being advised of the above.
